Kristin,

To a dear friend.
I am very fortunate
to have gotten to
know you through
these past two
years. The
memories
we now have
will last a
life time. I
have some helpful
hints to guide you
along your college
years. One, avoid
any contact with
piano players
especially those
who like solo
performances best!
Two, enjoy MEN! I
think little boys
(like the one's we
now go to school with)
should be avoided
at all costs. Time
should be concentrated
on men of college

or beyond calibre. One's
preppy and with enough
money to keep you satisfied.
Third, watch out for dark
dorm rooms and keep
an eye on Mary Sue
while she encounters them.
She needs your guidance.

Seriously, I wish you
luck in all you do. I
hope life brings you
and much success
to you and all you
undertake.

Stay in touch!

Love ya,

Carney

DEDICATION

Through the years at Trinity, the class of 1985 has been led by an outstanding advisor. Aside from being an excellent math teacher, she is also involved with the CORE program at Trinity.

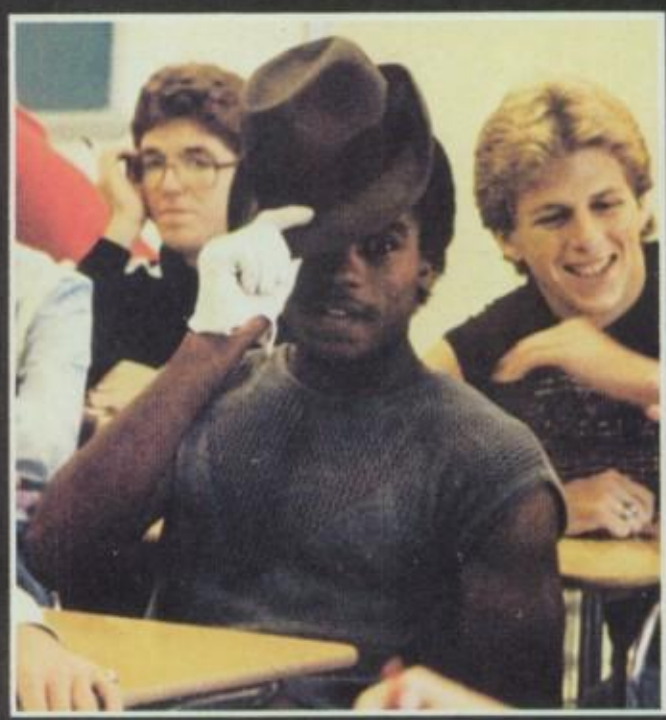

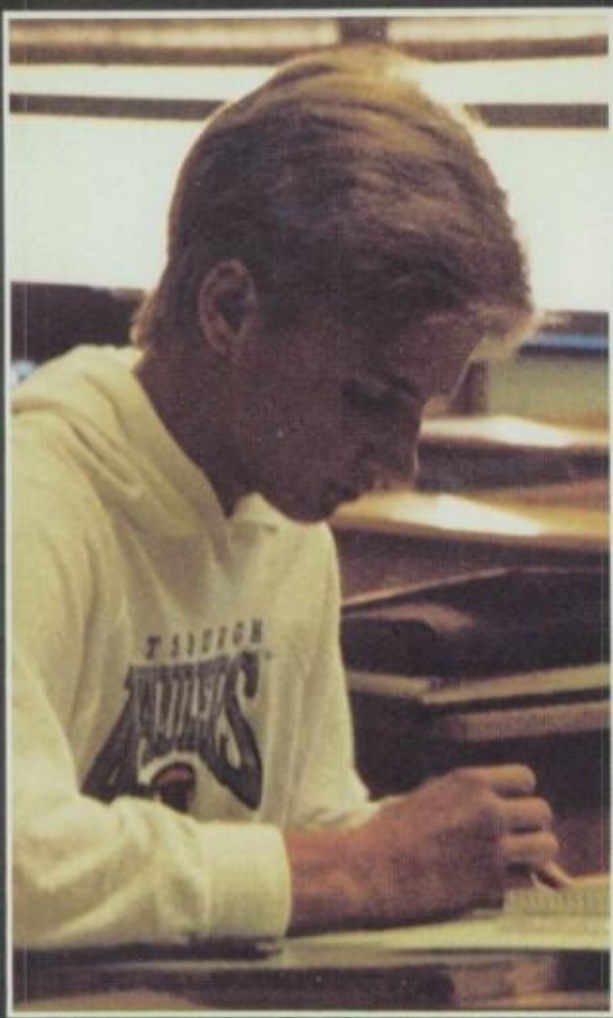

It was in March when someone mentioned the word "prom." The first thing to do was panic but Miss Murphy very calmly and professionally handled the situation. The hours were long but she stood right along with us. Without her time and patience, there never would have been a 1983-84 prom.

Far beyond the prom, however, Miss Murphy has shown patience, love, and understanding in a multitude of other ways. Her spirit has shown through Homecoming, fund raisers, and assemblies as well as everything else she has done.

This section of the yearbook is entitled "dedication." We, the Olympus Staff, feel that we have chosen the most qualified person to describe the word "dedication."

The class of 1985 has truly been fortunate to have shared the past four years with Rebecca Murphy. We wish you well, Murph — now, forever and always; thank you for growing with us! We, the Olympus staff of 1985, dedicate the Olympus to you!

Class Colors: Pink and Gray
Class flower: White Rose

Look to this day! Yesterday is already a dream and tomorrow is only a vision. But today, well-loved, makes every yesterday a dream of happiness and every tomorrow a vision of hope.

As the Senior Class reflects back on their memories of Trinity, they undoubtedly feel pride at their accomplishments and a small tear at the thought of leaving it all behind.

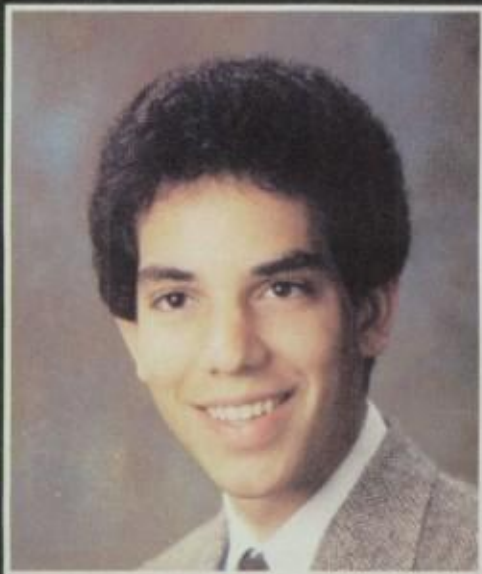

The class advisors, Mr. Chernay and Miss Murphy, have devoted a lot of time and effort to class fund raisers and activities. They've shared with us those frightening experiences of being a freshman, the making of our Junior-Senior Prom, "Just You And I," and the excitement of senior duties, including caps and gowns and Senior Recognition. When asked for a descriptive word for the class, Mr. Chernay replied, "Involved."

This is quite appropriate because the Class of '85 has shown their school spirit by participating in assemblies and winning the games during Homecoming week for two consecutive years. They are also responsible for keeping Trinity's tradition of pride alive by re-establishing the Pep Club.

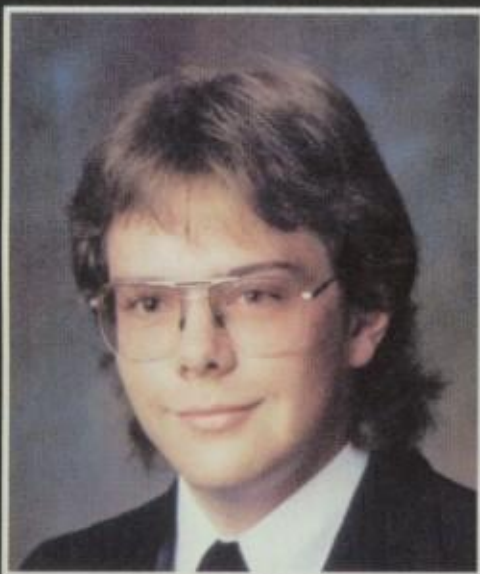

These four years of work, fun and maturing are ones that the class will cherish long after graduation.

Mr. Chernay and Miss Murphy, Class Advisors. Row 2: Monica Mahaffey, President; Scott Wagers, Vice President; Pam Armstrong, Treasurer; Traci Miles, Secretary.

Four years we've dreamed of graduation
With longing and great anticipation.
Now grave sadness accompanies the joy;
Now stand adults instead of girls and boys.
This is the last time we will stand as one
These years of our lives are forever done.
Each of us will go his separate way
Saying fondly goodbye to his high school days.
If we're never able to meet again
I'll carry your memory with me, friend.
Wave goodbye to the royal blue and white
To the bell tower and to the Hiller fight.
Now move onward to what we are to be
Goodbye friends and dear old Trinity.

Kristin,

It feels rather funny writing my own name. It's like I'm writing to myself (sorry I forgot about the "i"). Well we made it. Never thought it would get here. Congratulations on all your speech awards. May you find eternal happiness and joy in your life. Good luck at W+J.

Kristin,

To a good friend I learned to know 3 years ago. Aren't you glad we made it through A.P. History? Thank goodness! Now we have to say "goodbye" but we can look forward to an exciting future, whatever it may hold. I wish you good luck in everything you do, and hope you find true happiness for your whole life.

FRESHMEN DILEMMA

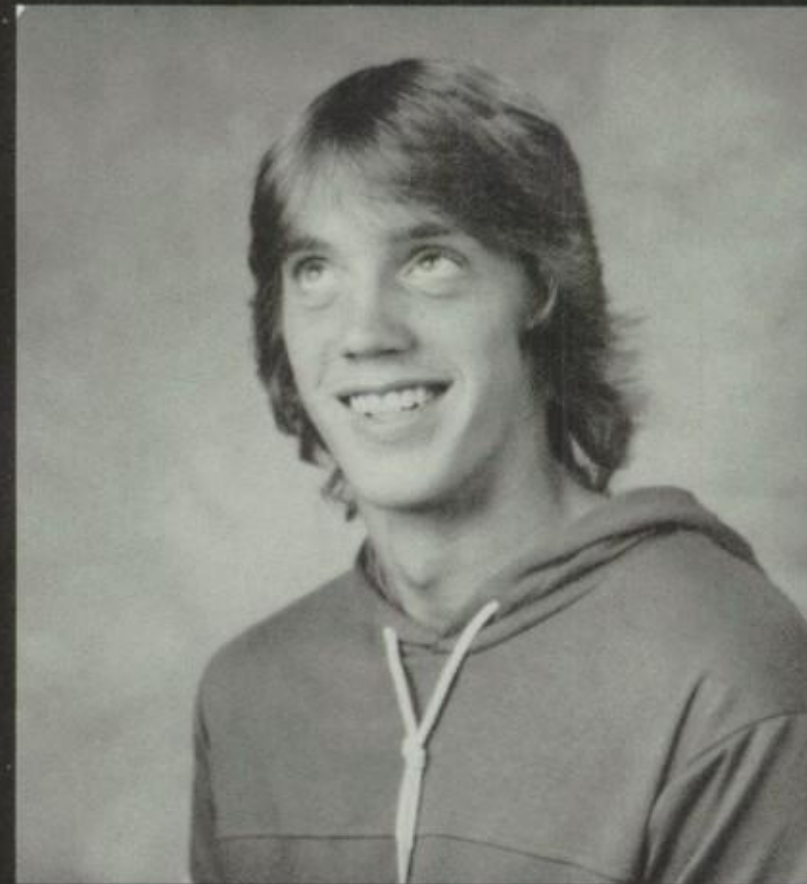

Looking ahead to three more long years can be depressing to any freshman who doesn't have the tools to survive. A senior has to be strong to take on the responsibilities the future holds. So we, the senior class, are giving you, the freshmen, a few tips of survival that helped "85" become one of the best classes ever. This survival kit contains: a year's supply of notebook paper with lines, sixteen cheat sheets (two per semester), your own private elevator to get you to class on time, thirty passes for the days you don't and, last but not least, a bodyguard to not only protect you from the clutches of the upper-classmen but one that will carry your books to class as well. Without these tips, reaching your senior year seems like a lifelong journey. After all, why do you think senior skip day still exists?

Hard work and responsibility are qualities that all Trinity cheerleaders share. This past summer, for example, they held a cheerleading clinic for all girls in Washington from grades one through nine. The cheerleaders also went to a clinic at Slippery Rock State College and won several ribbons and awards for their achievements. The varsity advisors, Miss Tanya Gladysiewski and Mrs. Eddie Morgan said, "The girls attend every varsity sport they can and are bringing a better attitude to all sports." Trinity thanks the cheerleaders for all of their support and we wish them good luck in competitions ahead.

Competing last year in the Marching Bands of America Regional Competition, the band placed fifth among bands from several states. This year the band won Grand Champion at the Norwin Band Competition as well as first place awards in percussion, music, marching, and general effect.

This year, hopes were set high for, in addition to regional competition, the band traveled to Indianapolis to compete in MBA Nationals. There, among the best bands in the country, Trinity was very impressive.

The Trinity Student Council, advised by Mr. Charles Kelley, had another successful year! They began the year with the traditional Homecoming activities. They were responsible for Spirit Week as well as deciding the theme for Homecoming. The Council, in conjunction with the Senior class, also had two successful dances, Homecoming and Senior Rec. Another large job of Student Council is fund raising activities. These fund raisers help charities as well as raise money for the school. These are just a few of the many things that the Student Council accomplishes during a school year. Thanks, Student Council, for a job well done!

The Trinity Chapter of the National Honor Society has maintained the four duties of its members: Leadership, Character, Service, Scholarship. The Honor Society functions to provide service to the community, such as charity fund raisers, Christmas caroling, etc. Service projects for the school include the Literary Journal and the Tutors. The Trinity Chapter of the Honor Society has made two trips in the past two years — to Florida and to New York City. Once again, the Chapter is planning to return to Florida in March of 1985.

GERMAN CLUB

This year you undoubtedly noticed the smell of "Bratwurst" and the sound of "Trinken" songs on Trinity's campus. These were the results of much dedication on the part of the 105 members of the German Club. On October 19, they sponsored an Oktoberfest for the Trinity student body. The members prepared the food and performed German dances, which they began learning several weeks earlier. Members of the German Club took the opportunity to be the observers when, later in October, they attended an Oktoberfest held aboard the Gateway Clipper, a traditional trip for the club.

The person who deserves much of the credit for the success of the club is its advisor, Herr Adams. For the past seventeen years, he has enthusiastically worked to make the club enjoyable as well as successful. The German Club would like to express to him their appreciation for all his support.

Where would you look for a Mad Hatter, a pornographer, a stuffed bear, a town of illiterates, a little girl lost in a made-up world, a schoolmaster, and a goofy bird called DoDo? These are the inhabitants of the Theatre 180 stage. They were born in the wings amid (the cast's) sweat and (Mr. Garda's) cigar smoke, and develop into the magical figures portrayed in such theatre productions as *Fools*, *Alice in Wonderland*, *Vanities*, *The Biggest Thief in Town*, and *Winnie-the-Pooh*.

Twelve hours per week of rehearsal make each presentation first-rate and very special.

This is Theatre 180's sixth season, under the direction of Mr. Jan Garda, and it's the biggest season yet.

50th Anniversary

May Day is a yearly celebration in which Trinity celebrates the coming of spring. It is a treasured tradition that has existed at Trinity for several decades. In 1984, May Day hosted a special 50th Anniversary presentation, with 37 of the past 50 queens attending. They were escorted by various members of the student body. May Day has proven itself once again to be a joyous and festive occasion.

A special thank you to our senior class advisors.

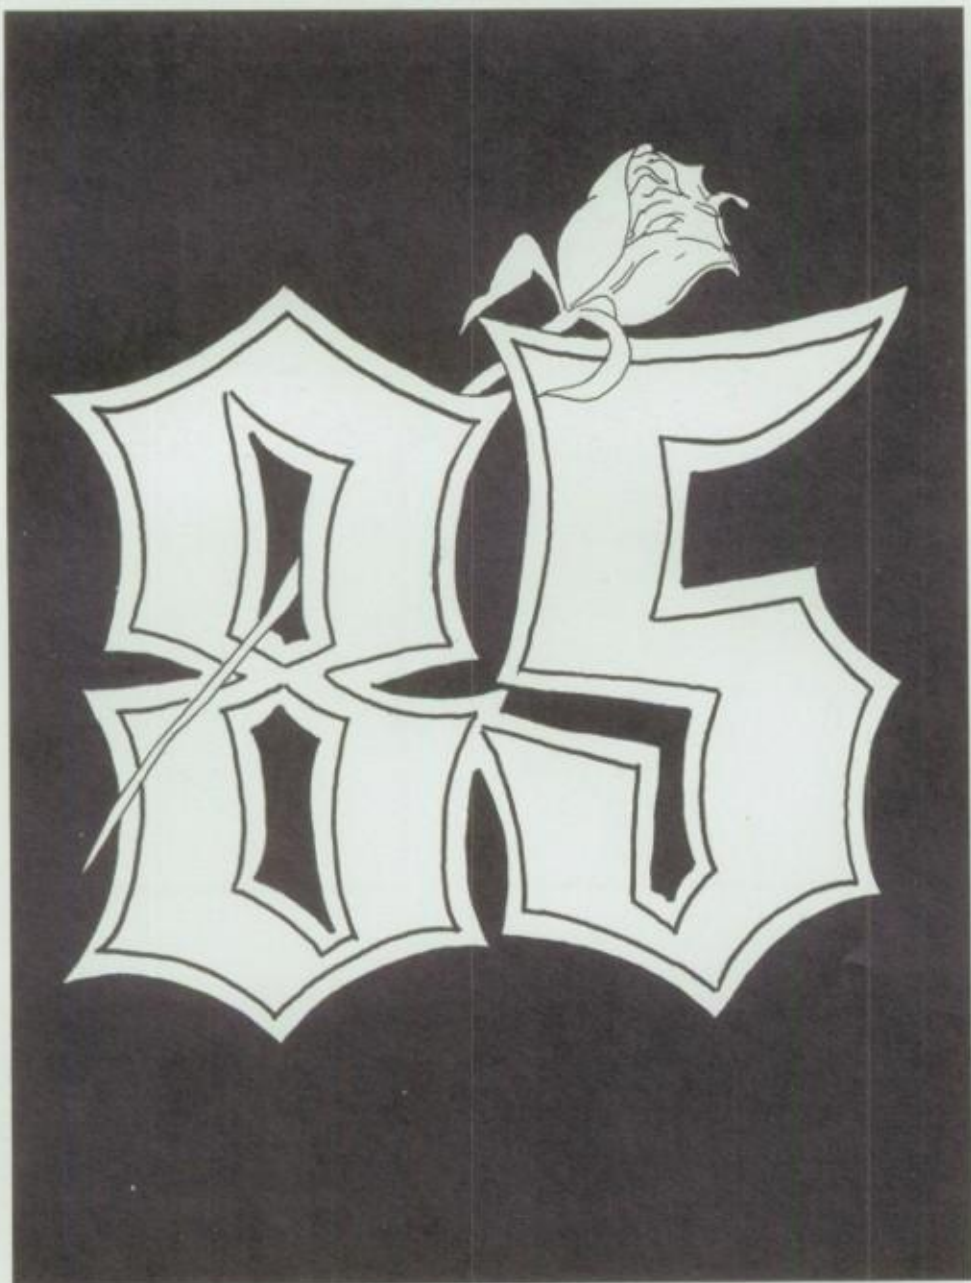

It takes someone who is special, willing to devote a lot of time and effort — someone who is dedicated, hardworking and, most of all, understanding. This year's senior class is very lucky to have two people who have helped to make our four years at Trinity memorable. Miss Rebecca Murphy and Mr. Dennis Chernay are those two dedicated and special people. There aren't enough ways to say thank you for all the help, hard work and support they have always given to us. They are two people who we could talk to and most importantly, trust. Not only were they our teachers and advisors, they were also willing to be our friends. They would always take the time to listen to our suggestions, complaints, or ideas of how to make the class of 85 become better.

They helped in our freshman year to show us what was expected of us. Next came the success of the magazine sale during our sophomore year, when Miss Murphy and Mr. Chernay spent endless hours counting our money. We proved that we could work as a class and come out on top. As juniors, we matured and pulled together to build the prom. We showed our spirit in the assemblies by cheering "85". With the help of our advisors, we began to appreciate and understand what it takes to have a class that would work and support each other. Finally we became seniors, a position that seemed to take so long to reach. We showed our pride by dressing in our class colors of pink and gray. The traditional Trinity spirit was kept alive by the support we gave to those who participate in sports and are involved in activities. Next came the time to order announcements and our caps and gowns. Reality finally began to set in. We were seniors, and we will be graduating from Trinity as the Class of 1985!

Miss Murphy and Mr. Chernay, thank you for sharing these most memorable times with us.

We love you!

1984-1985

Take Us Out To The Ballgame

Steve Howell

Rodney Martin

Coaches: Bill Hughes and Fred Boni

Watching baseball is a popular pastime of many Americans. The Hillers' Baseball Team showed true dedication and spirit to this sport in the 1984 season. The players made baseball an exciting pastime for all involved with the team.

The Hillers completed the season with a final record of 7-10. Many players added important elements which contributed greatly to the team's skill and determination. Although a former team leader, Steve Howell, was hurt and missed most of the season, other players responded to this challenge. Senior Brad Sprowls was a consistent hitter with a batting average of .440. Other members who formed an essential part of the Hiller starting line up were pitcher Dave Hower and senior Bob Gower.

Despite the loss of many seniors, the outlook for the 1985 baseball team is extremely promising. Many players will be returning to aid in the development of an even stronger Hiller team. Members such as Bob Bullotta, Mike Selway, and Andy Vore are expected to create a firm foundation and secure a bond for future success.

Baseball will always remain America's favorite pastime. Likewise, the Hiller Baseball Team will continue to look to the future with the everlasting example of pride and spirit which is dictated by tradition at Trinity.

During the 1984 Girls' Track season, the team obtained a 7-4 record. Built solidly around a young nucleus, the team has high hopes for the upcoming season. Although the Hillers lose senior Denise King, WPIAL Finalist (4th Place) in the javelin, they return junior Jeanine Washington, WPIAL Champion in the 400 meter dash (59.8 seconds). Jeanine was also named Outstanding Track Performer in the Washington County Coaches Meet and set a school record in the 200 meter dash with a 26.8. Suzy Smith, another junior, also set a new school record with a 49.2 in the 300 meter hurdles.

Coach Joe Smith commented, "We should have a fairly strong team this year." With a returning squad of 23 lettermen, the girls track team should become more competitive throughout their tough section.

Trinity Boys Hope To Get on Track In '84

The Trinity Boys Track Team once again experienced a very rough season, compiling a 3-7 record in what is thought to be one of the toughest sections around the WPIAL. The 83-84 season proved highly successful for seniors Brian Gorby and Dave Tallarico. Gorby took 2nd place in the WPIAL Southern Qualifiers and 7th place at the WPIAL Finals in the javelin. Tallarico, in the distance races, took 4th at Southern Qualifiers and 9th at Finals. Trinity boys now look forward to the '84 season with a very positive attitude, sensing improvement throughout the team. The Hillers hope to prove themselves as a contender for the section title as they slowly try to build themselves as a powerhouse in track.

TENNIS ANYONE?

With an overall record of 5-9 in the 1983 season, the Hiller tennis team is looking forward to a better season in 1984. The 1983 team was very competitive and lost most of the matches by a slim margin. Ed Stough, John Manion, and Ed Hess led the Hillers. The 1984 team looks very promising, as long as they are not plagued by injuries.

Last year's season was difficult, with four teams having all seniors starting, but this year only one team has all senior starters. Coach Dennis Chernay said the outlook for this year is good with a team led by three returning lettermen, Scott York, Scott Reed, and Ron Thompson along with two promising sophomores, David Mintz and Spencer Hutchinson. The outlook for the next two seasons looks outstanding with good freshmen to build upon.

The Hillers and Coach Chernay are looking forward to bettering the '83 record in '84 and trying to win the section — game, set, and match.

Despite their misleading 0-5 record, the Trinity Hillers should prevail in the second half of the schedule. According to coach Bob Johnson, "The second half of the season should be better. The first six teams we played have winning records."

Coach Johnson attributes some of the team's difficulties to the fact that he became the head coach on such short notice. "It was tough taking over, not only for the new coaches and staff, but also it was especially hard for the seniors. The new system that they had to learn was demanding."

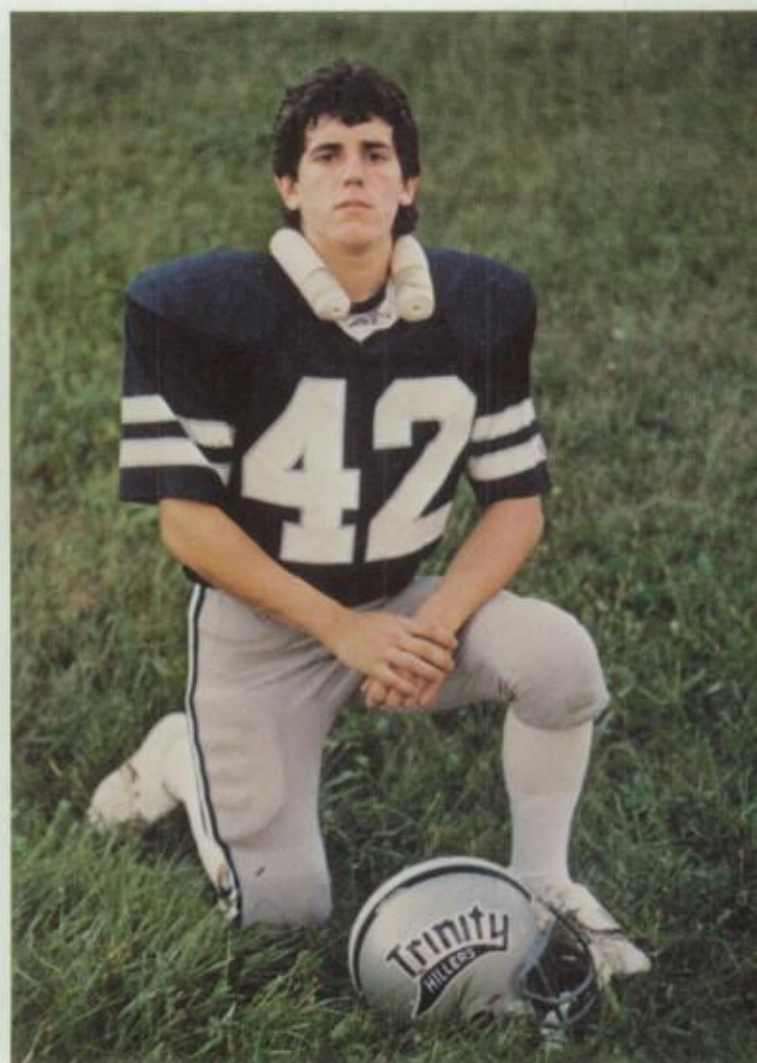

So far during the season, the team has been working hard and their attitudes seem very positive.

When asked how the future looks for the Hiller Football Team, coach Johnson said, "The nucleus of our team is made up of young sophomores and juniors. The team should be very competitive because these same underclassmen have won on a junior high level." He also expects "a lot of hard work during the off season" from the dedicated players.

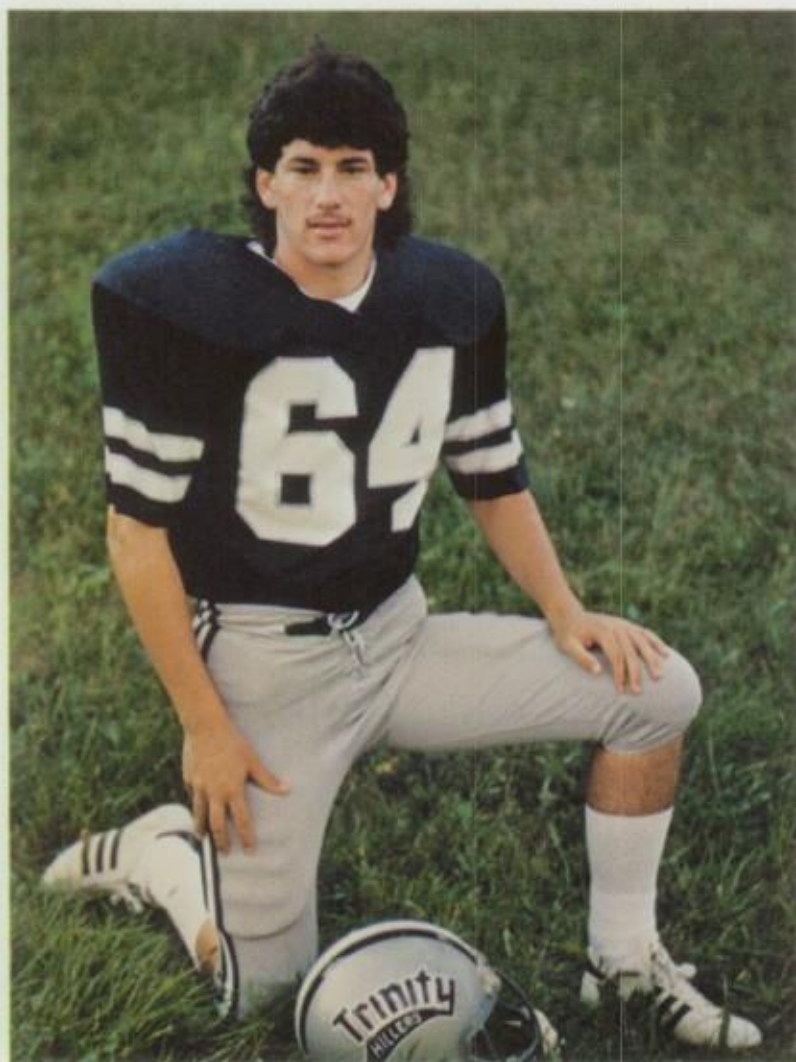

With this year used as a learning experience for the younger players, the 1985 football season should prove to be very promising.

The Trinity Soccer team fought 16 overtimes, just a year ago to tie for the State Championship and high expectations are here again.

With team captain Kory Sensky and Gregg Day leading the currently ranked 1st place team in the state, the Hillers look and return with a very experienced squad. The Trinity defense returned all four fullbacks in Day, WPIAL ALL-Star Heath Hamilton, and juniors Steve Miller and Scott Armstrong. Dan Loboizzo is the team's starting goalie as a junior. The Trinity mid-field also returned two starters, senior Scott Ickes and junior Bryan Hammond. Gary Deresh fills the third spot. Along with Sensky on the forward line is senior Todd Belcastro and junior Mike Ferrari.

During this season, Head Coach Art Richardson has come to major plateaus in his coaching career, a career which began in 1968 and has never seen a losing season. Coach Richardson picked up his 200th career win in a 4-0 victory over Mon-Valley Catholic. Also highlighting this season for Richardson was the 1000th career goal for Trinity, which was scored by Gregg Day.

Looking forward to next year's season, Miller, Hammond, and Armstrong should lead the Hillers as two year starters, along with one year starters, Loboizzo, Deresh, and Ferrari.

HILLER VOLLEYBALL SERVING UP A GREAT SEASON

Coach Linda Rebish has high expectations and hopes for the 1984-85 Girls Volleyball Team. When asked what she wanted to accomplish this season, Coach Rebish had a ready answer. "We would like to take the section title, advance, and make a better showing at the playoffs." The Volleyball Team, 9-1 and 2nd in their section, seems to be well on its way to accomplishing these goals. The team is in contention for first place in the section and, if they retain their second place seeding, they will advance to the playoffs.

Many players contribute to the success of the team. Outstanding efforts by seniors Julie Manion and Joelle Dhayer are obviously appreciated by every teammate. Julie, the team captain, was voted most valuable player her sophomore and junior years, while Joelle is likewise an essential part of the Hiller's offense. Returning members who have improved greatly this year are Linda Bruner, Leah Armstrong, Carla Tyler, and Chris Gregor. Starting members include: Julie Manion, Joelle Dhayer, Linda Bruner, Carla Tyler, Chris Gregor, Leah Armstrong, and Gretchen Ehnert.

Next year's prospects are very good with only two seniors leaving the team. The attitude among the younger players is sure to create a strong base on which the 1985-86 team will be founded. Next year's team hopes to follow the precedent set by this year's squad and capture a section title.

The Hiller's success is due to a strong sense of competitiveness which the entire team seems to thrive upon. With many girls learning to be more competitive, Coach Rebish feels that the team will continue to remain victorious in the upcoming years.

The Boys' Cross Country team turned in an impressive year during the 1984 season. Coach Kris Tanner led the team to a winning season with an eight and five record. The Hillers defeated such teams as Canon-McMillan, Washington, Chartiers-Houston, Waynesburg, Aliquippa, McGuffey, Chartiers-Valley, and Ringgold throughout 1984.

In the County Coaches Meet, Trinity also had bright spots as both a team and individually. Trinity placed second overall as a team with Don Neely (sixth place) and Eric Eckert (tenth place) having excellent individual performances for the Hillers. Eckert, a senior, also placed eighth in the Uniontown Invitational.

Eckert lead the team with three individual victories on the 3.1 mile course, with a best time of 15:04 minutes.

Next year seems to be a tough year but the Hillers return three of their seven lettermen, which include Ted Stoner, Don Neely, and Scott Day.

The Trinity Girls' Cross Country team came up with a subpar season for the second year in a row. Coach Joe Smith and his team recorded five wins and six losses, one more win than last year. The Trinity girls started very slow but, in their last eight meets, they won five, making next year look much more promising.

Although the girls' cross country team did not exactly sparkle, Joyce McMullen and underclassman Mary Gaido did. McMullen, a senior, placed third in the Washington County Coaches Meet, while Mary finished fourth. Mary Gaido also placed twentieth at the Central Catholic Invitational, twentieth in the WPIAL Qualifiers and seventy-fourth in the WPIAL Championships. Gaido, as a sophomore now, looks to be a future star for the rebuilding Hillers and will try to put Trinity back on top. They return five of six letterwomen next season, making the future look bright.

Coach Smith hopes to reduce the early season meets and have no more back to back meets. He feels this is one reason for the Hillers' poor start.

SPORTS

Wave of Talent

It is true that talent will surface in time and the Hiller Swimming Teams show this quality at every meet they attend. Despite struggling records (Girls 1-3 Boys 0-4), the Hillers refuse to abandon ship. Each member's individual talent and skill counterbalances the lack of swimmers on the teams. "We lack quantity," stated Coach Vanda Erdos, "but we compensate with quality swimming by every individual."

Especially outstanding performances by Amy Stoker, Sara Anderson and Karen Shuler contribute to the girls' team morale. As for the boys' team, Bob Besce, Todd Stoker, and Sean O'Brien are recognized as being particularly outstanding. Swimmers Laurel Galanda and Lynn Gregg are counted upon greatly for their consistency at each meet. Gina Hambleton, the only Hiller diver, has not lost in competition and has been commended by all for her efforts.

"The highlight of our season so far," stated Coach Erdos, "would have to be the Keystone Oaks Relays." The Hillers placed third and defeated Canon McMillan, a top rival.

The outlook for both teams is promising, with the loss of only two senior girls. The Hiller Swimmers' only wish is for more members to add to their depth. With talent and skill, the Hillers are sure to sink future opposition.

Through the years, the Trinity Wrestling Team has been a dominant force in wrestling. The team is known throughout their section as one of the teams to "look out for." A big rivalry is Canon-McMillan and, once again, they are ranked above the Hillers. A surprising loss at the beginning of the season for the Hiller team was against Peters Township. The Hillers wrestled well, but it just wasn't good enough to pull out a victory. After this loss, the team needed a big victory and that's exactly what they got against Moon Township, proving that they were still one of the best. The team's current record is 10-1, with a few important matches coming up in the near future. The team is lead by four seniors, Tim Bigler (112), Bob Sroka (132), Chad Morton (155), and Leland Ferrari (185). Because of the experience factor and the return of several lettermen, the team is looking forward to another winning season next year.

The Trinity Rifle team has enjoyed many victorious seasons in the past and this season expects to be no exception. Thus far this season, the team has compiled a record of 5-0. Coach Bill Adams anticipates hard matches with a few schools but said, "After a hard season, we expect to do well in the championships."

Team captains this year are Rae Lynn Corso and Kevin Johnson. Both are seniors and experienced shooters who provide leadership to the team. A surprise to the team this year has been first year shooters Susan Picio and Tom Bryker, who have contributed greatly to the team. Also, midway through the season, senior Jason Christopher had a 17 match 100 streak going. This streak was compiled over the past two seasons and ties a school record.

In addition to Coach Adams, Casey Resciniti helps with coaching and provides assistance to the team. Trinity Rifle has a successful tradition and, with the support of the school, the team will continue to dominate.

THEY'RE PLAYIN' BAS-KET-BALL"

The Trinity Boys' Basketball Team is off to another good year with an 8-2 exhibition record and a 1-0 record in the section so far. The Hillers have tough competition with the likes of Upper St. Clair, Bethel Park and Peters Township, who all have good size and experience.

Even though the Hillers are young, inexperienced and have no starter over 6 feet except for Tim O'Connor, they have proven themselves worthy. Coach Gerard Berty, with the help of new assistant coach Bob Thornton, has changed the whole boys' basketball program around to give the Hillers the respect and recognition they deserve. Sophomore Mike Selway leads the Hillers in scoring with a 17 point average while senior Tim O'Connor has a 15 point average. Tim also broke a Trinity record by scoring his 1000th point against McGuffey. He is the first player in Trinity history to do this. The Hillers also get help from sophomores Basil Martin, with a 12 point average, and Chuck Goudy, who has an 8 point average. Junior Chris Shrontz also had a good year, but toward the middle of the season, he had an unfortunate accident which ended his season. Senior guard, Ron Thompson, took over and has produced well for the Hillers.

CONGRATULATIONS!!

The Trinity Girls' Basketball team is off to an impressive start with a record of 8-1. Although the team is made up entirely of underclassmen, they show determination toward a winning season. Under the guidance of head coach David Johns and assistant coach Kathy Carlisle, the team is showing continuous improvement as the season progresses. Sharing the duties of co-captains are juniors Lori Ward and Dawne Mosier, who is also the team's leading scorer. One of the advantages of this young team is the strength off the bench — the idea of not having just five starters, but ten capable players. A bright spot for the young Hiller team was winning the Wash High Christmas Tournament. The coaching staff and the team members are looking forward to a winning season this year and, because of the experience factor, an even better one next year.

Kristin, ^{typical introduction}

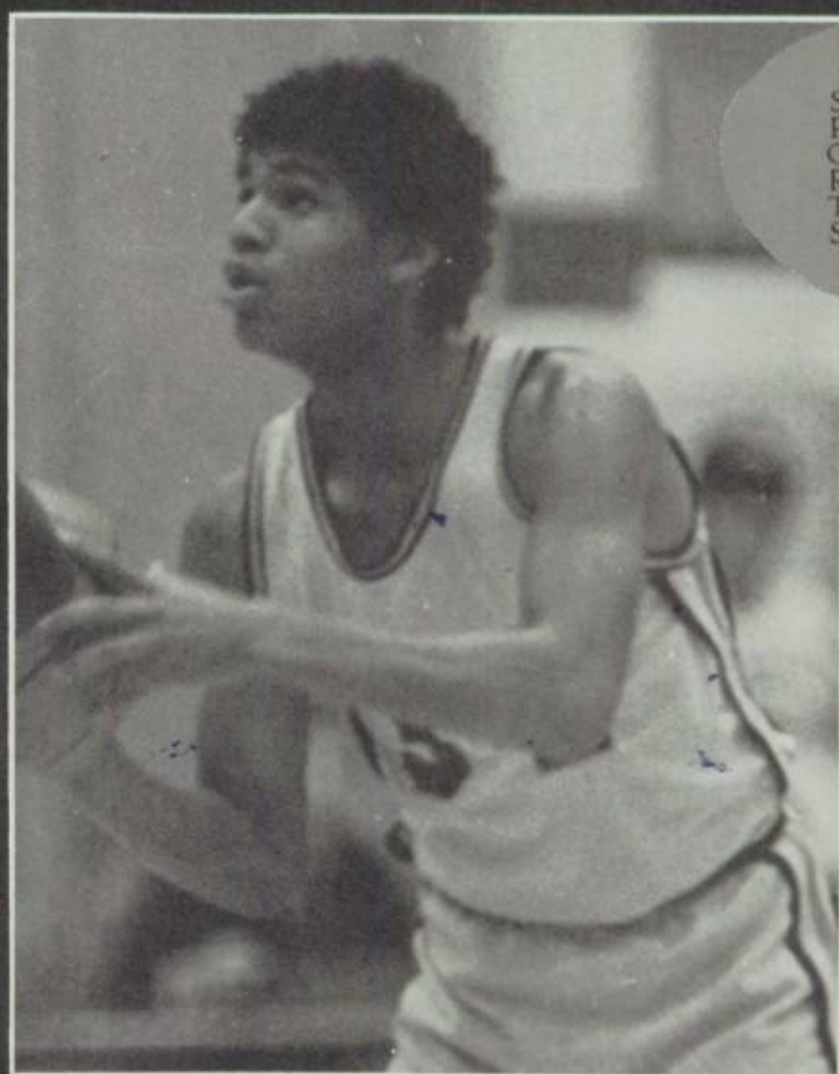

To a really nice and sweet girl I have known throughout High School. Well we've made it through many hard times and are now ready to graduate. You are ^areally nice and special person and I am glad to have known you for such a long time. Remember the really long-drawn out times in Calculus and English and the big preparation for the English final in the library. I wish you the best of luck in all you do at J, have a great Summer, and I hope to see you and keep in touch.

Kristin,
I can't believe that we only have 2 hours left of our high school career!! you have been such a good friend over the years and I'll never forget all the fun we've had; A.P. Amer. History, Spanish, A.P. English, and all our fun in gym and the massive muscles that we developed! I wish you all the luck in the world and I'm sure you'll be a success ~~at~~ at all your attempt! Keep in touch - I'll miss you!!!
Love,
Carol

Kristin,
To always remember our sick conversations in lunch could serve to brighten any dull course you have next year. I'm always glad to have the pleasure of knowing a bright, funny friend who can be serious and a comic at the same time. Always remember all that wonderful Calculus homework and all that A.P. homework you had to do and I didn't. See you on weekends next fall!

Love Carol

Goodbye,
P.S. have fun at WJ!!

SPORTS

GOLF . . . A SWINGING SUCCESS

The 1984-85 Golf Team fully understands the meaning of success. With this insight in mind, the Hillers compiled an impressive record of 10-2 and captured a first place finish with the section title.

Outstanding performances by senior Scott York consistently helped the team in many matches. Although the team was comprised of many young players, inexperience was the least of their troubles. With outstanding efforts by Andy Allison, Bill Knodle, Charlie Eloshway, Scott Yeager, and Scott Cameron, the team was guaranteed victory.

From the beginning of the season, the Hillers' outlook was optimistic. After defeating top contender McGuffey in the first match of the year, the Hillers went on to earn themselves a section title and a definite bid in the playoffs.

The future looks bright with only two seniors leaving the team and many young players gaining valuable experience. Expectations are high and sure to be fulfilled.

Golf is mainly an individual sport, although some team effort is required. Coach Bill Hughes felt that the concentration of each player was particularly outstanding, while the entire mental attitude had much to do with their success. Success definitely speaks for itself!

OLYMPUS SENIORS

WE DID IT!

IN MEMORIAM

The Rainbow

All things to an end must come —
Or so the wise men say —
The rainbow's light,
The snow's pure white,
Will sometime fade away.
The day gives in to darkness,
And darkness to the dawn,
Sunlight's gleam to
Starlight's dream,
The sequence rushes on.
But when it knows its time has come
Where does the rainbow run?
The crystal snow,
The stars' soft glow,
The brilliance of the sun?
The place — a very special one
To which the rainbow flies,
It remains pure and whole
Inside the soul
And there it never dies.

Kristina

To a wild woman who plays a hard game at all sports. Remember all those exciting moments in Gym and Home-room, I'll never forget them (HA-HA)!! I've enjoyed getting to know you better and I think I'm safe calling you a good friend. Good luck in everything you attempt and may you accomplish all the goals you set for yourself. Stay cool and keep in touch.

Love

You are an exceptional person!
 You are never in Penn. except
 I will never forget
 all of the wonderful lunch
 conversations and your sweet
 corn hockey and your sweet
 state! I want to have fun at 5.
 from Behave and have fun at 5.
 Keep Behave and have fun at 5.
 Thank you!

Kristin,

I just had to write on our wonderful
May Queen's face! Of course. Anyway, it's been
nice having classes with you the past few years.
We've had a lot of great times. Especially in
Physics with Brian Pinkerton and Eisenhower
Jones dnc. (Member F.D.I.C.) - Roxy lives!!! I
won't ever forget that. And of course I have
to mention Mr. R's classes. They were a lot
of work but it paid off. Well, Good luck in
everything next year & Have Fun.

CONGRATULATIONS CLASS
OF 1985

The day I died was an ordinary school day. How I wish I had taken the bus! But I was too cool for the bus. I remember how I wheedled the car out of mom.

"Special favor," I pleaded. "All the kids drive." When the 2:50 bell rang, I threw all my books in my locker. I was free until 8:40 tomorrow morning! I ran to the parking lot excited at the thought of driving a car and being my own boss. FREE!

It doesn't matter how the accident happened. I was goofing off, going too fast, taking crazy chances. But I was enjoying my freedom and having fun.

The last thing I remember was passing an old lady who seemed to be going awfully slow. I heard a deafening crash and felt a terrific jolt. Glass and steel flew everywhere. My whole body seemed to be burning inside out. I heard myself scream. Suddenly I awakened; it was very quiet. A police officer was standing over me. Then I saw the doctor. My body was mangled. I was saturated with blood. Pieces of jagged glass were sticking out all over. Strange I couldn't feel anything. Hey! Don't pull the sheet over my head. I can't be dead. I have a date tonight. I am supposed to grow up and have a wonderful life. I haven't lived yet. I can't be dead.

Later I was placed in a drawer. My folks had to identify me. Why did I have to see them as they faced the most terrible ordeal of their lives? Dad suddenly looked old. He told the man in charge, "Yes, he is my son." Please don't bury me! I'm not dead! I have a lot of living to do! I want to laugh, run, sing, and dance. Please don't put me in the ground. I promise if you give me just one more chance, God, I will be the most careful driver in the whole school. All I want is one more chance. PLEASE GOD, I'M ONLY 17!

60th Anniversary

Trinity's past is rich in history and has fully earned its reputation as one of the finest institutions of learning in the area. In the fall of 1879, Trinity Hall Military Academy was established by William E. Smith at his large estate. Mr. Smith was looking for a good Christian school to send his sons, William McKennen and Ulysses S. Grant Smith. In 1904 Ulysses S. Grant Smith took over the management of the school, making it a financial success and having the largest enrollment in its history.

The school was a military prep school where the boys were taught military tactics as well as academic subjects under the direction of a head master and commandant, who was in charge of military training. The boys attended classes in regular clothes but were required to wear full dress uniforms for dinner each evening or any time they were off-limits.

Boys came to Trinity Hall not only from the tri-state area but from many distant points. The school prepared many young men for such prestigious academies as West Point and Annapolis.

The boys' social life at Trinity Hall was not overlooked. The boys were permitted to call on young ladies of the town, but only ladies who were approved by the school. There were dances held at the school, but only young ladies from the approved families were permitted to attend.

After changing hands for a number of years, Trinity Hall closed its doors forever, due to financial failure. After its closing, the grounds stood idle except from April 1, 1913 to April 1, 1916, when Company H used the gym building as an armory.

In 1922, the boards of education saw the need of a high school. Trinity Joint High School was then established and classes were held at the Union Trust Building on Main Street. Finally the boards of education of Amwell, North Franklin, South Strabane and Canton Townships purchased the Trinity Hall grounds and established Trinity High School.

Since this time, the school has grown tremendously, accommodating the needs of the ever-increasing enrollment. As the Rev. Fred C. Cowper once said, "It is a lovely spot indeed favored by nature . . . kept up by those who take pride in it; fortunate is the boy who is permitted to spend his school days at Trinity High School."

LETTING GO

All growing is changing
from one state to another.
Leaving a world behind,
entering the fear of the unaccustomed;
of colors that don't blend,
of holy words that jar,
of fractures that give rise to visions.

We have left one realm
but have not arrived at the other.
We have given up one safety
but not gained another.
Above the gazing crowd
the trapeze artist lets go of his swing,
without asking time to stop for him.
That is the flight into growth

That is the changeover
in which we experience our nakedness
to the point of hurting.
But there is not real growth without
leaping,
without burning bridges
and standing wide-eyed and shivering
on a new shore.

And yet
without growth
there is nothing.

Cristen,

So a great girl I got to know a little better this year. don't forget the "fun" speech tournaments we competed in! Good luck with your "life after high school", I know you'll ~~get~~ give 100% to whatever you decide to do. I hope you get all you strive for! Love,

Dana Ritheny

The memories that are most precious to me are the ones to which I have devoted a part of myself. Thus I present the 1985 Olympus. Enjoy it!!!

Kristen,
To a super nice gal that I finally realized after the greater part of the year. Although the beginning wasn't as well as it could have been. I'll never forget the fun-filled speech and debate banquet. My best wishes to you for all of life's love and happiness. Next four years at St. J and for the rest of your life. Had a great summer, and make the best of your future.

With Love,

Kristin,

Thanks for all the inspiring
conversations before and during A.P.
History, although I don't think Mr. R.
was impressed, they at least eased
the tensions of the day, as various
people's reputations fell to the
sword with every word. I'll always
remember Mr. Veltri's Prob/Stat
class and all the bad and un-
repeatable jokes of the day so
loosely profused. I wish you lots of
luck at W+J for the next 4 years +
hope to see you during the summer
before you go.

In Friendship

Just kidding!

Kristin,

Well, this is my final opportunity to write down for posterity all of the embarrassing & indescribable happenings of the last four years. Most importantly — always remember the great times we had ~~ASAP~~ for the last 7 years! Secondly, may Eisenhower Jones, member F.D.C., go down in history & serve to prepare you for the future! Remember your great success in Calculus & S.P. Eur. History. To prove my maturity I will not, as in previous years, catalogue all the men we've encountered, or tried to encounter this year (stay away from pianos!). ~~While~~ we are on the subject, always remember Mrs. Diamond's English class in which we didn't read any books but learned the facts of life. Nobody has a memory large enough to remember all the guys we've at least thought about in the last four years, so I won't even ask you to remember all the material that would have made a good Hallgren Romance. We've had our ups and downs over the past years, but most of them have been zips (i.e. w's!!), and the next four years at D.F. I may hold the same. I hope that your future will be filled with the success and happiness your talent promises and that above all you achieve love and happiness.

Love,

Mary Sue

P.S.S.
My most deep thanks for the "educational" opportunity you made available to me at WPI on that infamous evening. LONG LIVE THE FRAT PARTIES

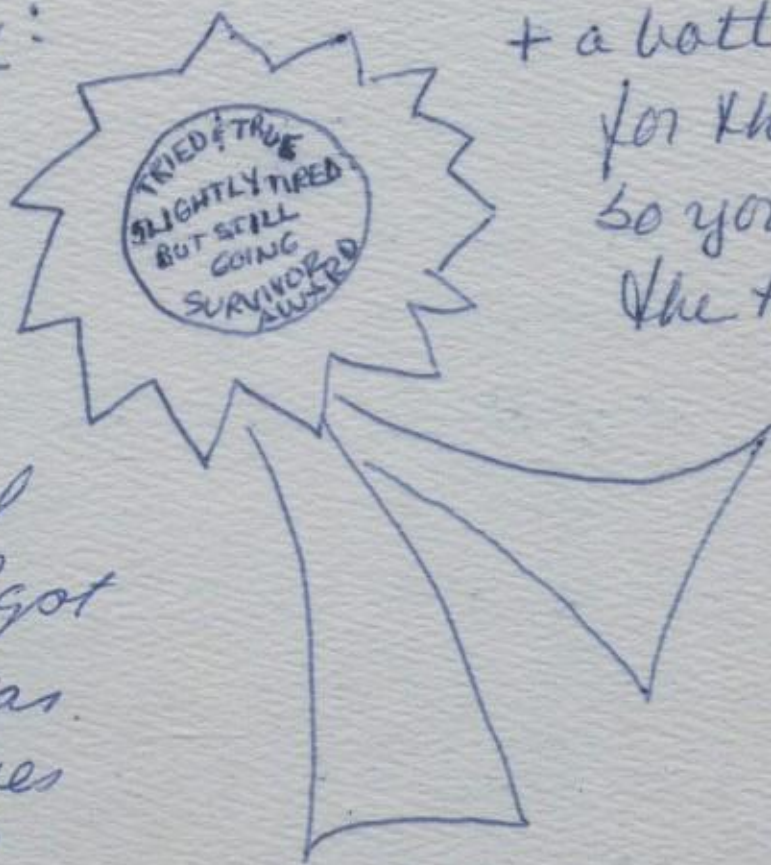

REMEMBER: (a small refresher)
B.F. → B.F. D.H. ← avoid short musicians
M.S. R.C. (w/El)
Weebles and etc. (a good body)

we were almost sister-in-laws

As several afterthoughts:

It would be inappropriate not to list some of the teachers at Prinity who made us what we are today. Mainly, Mr. Spalla who was awful and able to fulfill our educational & personal needs last year. Secondly, Mr. Vette - that gorgeous man whose presence was uplifting, & Mr. Neidmeyer's announcements for which I owe my outstanding vocabulary & eloquence.

I hate to be redundant, but back to the MEN and your talents in that field. You must be the world's record holder for boyfriends. Therefore you have earned:

+ a bottle of pep pills for the next Hips so you can keep up the tradition

Kristen
You've been a real friend. I'm glad I got to meet you this year. Thanks for all the times you pepped me up in Concert Choir. Some day I'll wear a preppy shirt & no socks & you can wear your ripped sweatshirt & pumps.
Good Luck! Love ya
Sharon

Kristen,
To a sweet and fun-loving girl that I've had the pleasure of meeting this year by becoming involved in Speech and Debate. Have a wonderful summer and Good Luck in your academic career.
